RE: March Events and Promotions

Dear Listeners,

Our corporate and local offices have been closely tracking coverage of coronavirus also referred to as COVID-19 from state officials. We realize that there are confirmed cases of the virus within the state of Louisiana. Understanding that this virus is primarily spreading through close contact and respiratory droplets, we've decided to cancel our upcoming private movie screening (First Ladies of Gospel) and Stellar Awards coverage in March.

Keep listening for future station events and promotions. We value our listeners at KOKA radio station and will take every measure to ensure the safety and well being of our listeners.

If you have any questions please contact our local office at 318-222-3122.

Thanks,

Charles Edward Johnson (Pastor CeJay)
